

BERAT GÜL

BUSINESS ANALYST

ABOUT ME

Business analyst with a strong technical background and expertise in bridging business needs with practical solutions. Skilled in requirement analysis, process improvement, and stakeholder management, with the ability to translate complex business needs into technically feasible and efficient workflows. Adept at collaborating with both business units and development teams to ensure successful project delivery.

EXPERIENCE

FERNUS - BUSINESS ANALYST ANKARA, TURKEY DECEMBER 2024 – JULY 2025

As a business analyst, I focus on gathering and analyzing requirements to improve educational software solutions. I collaborate with cross-functional teams to design efficient workflows and ensure the successful implementation of project deliverables. I also managed workflows using the Kanban methodology, improving transparency, efficiency, and continuous delivery throughout the project lifecycle. My role also involves conducting regular evaluations to identify areas for improvement and provide actionable insights.

INFYN.IT - BUSINESS ANALYST INTERN LONDON, UK JUNE -2024 - SEPTEMBER -2024 FİNTECH PROJECT

-I provided data for strategic decision-making processes by conducting market research and competitor analysis. and I took part in project management processes..

ECODATION - BUSINESS ANALYST INTERN ISTANBUL, TURKEY APRIL 2024 - JULY-2024

I was involved in the final stages of an online education project at ECODATION, primarily focusing on the testing processes. I conducted bug and vulnerability assessments for quality control of the software during the testing phases. Additionally, I supported the team in reporting identified issues and tracking the resolution processes. This experience has helped me enhance my analytical thinking and problem-solving skills.
